## FORM A04 – PROPOSAL FOR A CHANGE IN AN EXISTING PROGRAM

Date: 02/15/2024

This Application is for:       Degree                      X Major                       Emphasis  
    Concentration              Minor                       Certificate

Delivery Method of New Program:      X Residential       Hybrid (Residential/Online)       Online  
(Check all that apply)

Name of Individual Making Request: Tricia Pimentel

Title of the Program: Fitness and Recreational Leadership

Sponsoring Department: sport science and health                      Proposed Start Date: 2024/2025

This form, along with supporting documentation addressing the points outlined below, is required *before* the program can be considered for initial review.

Complete only those sections that relate to the proposed change(s).

1. **Description:**

a. **There are a couple things I would like to change about the degree**

- i. I would like to change the requirement for Science. Currently students are required to complete General Biology, since they no longer need to complete exercise physiology Biology is no longer needed. I would like to make it any science class to meet the requirement.
- ii. I would like to remove Recreational activities and add SP-SH 307 Individual and dual sport analysis

- 2. **Rationale:** Since Biology is not a requirement for any of the courses they need for the degree, it should not be required of them to complete. We are absorbing recreational activities in to team sports and individual and dual sport analysis
- 3. **Mission Alignment:** This change will better meet the needs of the students in the Fitness and Recreational Leadership degree
- 4. **Department Alignment:** this change will help gear the degree more towards the intended outcomes/job opportunities for those seeking this degree.
- 5. **Assessment Plan:** the program will continue to be evaluated on a yearly basis and compared to similar programs during quadrennial reviews
- 6. **Comparative Description:** General Biology will be removed and replaced with nutrition. Recreational activities will be removed and replaced with Individual and dual sport analysis.

## FITNESS & RECREATIONAL LEADERSHIP

### Bachelor of Sport Science

The following degree plan is applicable to students enrolling at Central Christian College of Kansas after July 1, 2023, through June 30, 2024. This degree plan will remain in effect until the student ceases continuous full-time enrollment or declares a new major, minor, emphasis, or concentration. Students not maintaining continuous enrollment will need to meet graduation requirements as stipulated by the Catalog of record at their point of reentry. Students may also opt to request that the graduation standards of any Catalog associated with their current enrollment determine graduation standards.
