## Head Coach Assignments: Men's Team

This table lists the number of head coaches assigned to each men's team, whether that coach is a male or female, whether that coach is assigned to that team on a full-time or part-time basis, and whether that coach is a full-time employee of the institution. The table includes paid coaches, volunteer coaches, interns, and graduate assistant coaches. For purposes of this report, the term "Full Time Coaching Duties" means the individual's employment responsibilities at the institution are exclusively those as coach of that team, and only that team, and are consistent with the institution's definition of a full-time employee of the institution (e.g., 40 hours per week or more) or part-time employee of the institution (e.g., less than 40 hours per week). For purposes of this report, the term "Full Time University Employee" means the individual's overall employment responsibilities at the institution are consistent with the institution's definition of a full-time employee (e.g., 40 hours per week or more) although that individual may have responsibilities other than as coach of that team, either within the athletic department or another department of the institution.

**Table 6 - Head Coaches Salaries**

Federal regulations require that the following information, based on the previous report year, be available for inspection by students, prospective students, and the public by October 15 of each year.

This table lists the average annual institutional salary of the head coaches of the men’s and women’s teams. Volunteer head coaches and head coaches whose salaries are paid by entities other than this institution are excluded from this calculation. Average salaries are listed as dollars per full-time equivalency as well as dollars per actual number of coaching positions.

	Men's Team	Women's Team
Average Annual Salary	\$24,672	\$23,946
Number of Head Coaches	7	7

\*Some head coaches lead both men’s and women’s teams. In compliance with EADA guidance, their salaries are proportionally split between those teams. The actual average full-time head coach salary is approximately \$37,847.

**Table 6 - Assistant Coaches Salaries**

Federal regulations require that the following information, based on the previous report year, be available for inspection by students, prospective students, and the public by October 15 of each year.

This table lists the average annual institutional salary of the assistant coaches of the men’s and women’s teams. Volunteer coaches and assistant coaches whose salaries are paid by entities other than this institution are excluded from this calculation. Average salaries are listed as dollars per full-time equivalency as well as dollars per actual number of coaching positions.

	Men's Team	Women's Team
Average Annual Salary	\$13,372	\$6,983.05
Number of Assistant Coaches	3	4

\*Variations in assistant coach averages are influenced by FT/PT positions, which is a product of roster size.
